Index 1969

of the International Journal of Health Education

This index is divided into a subject index and index of authors.
The subject index carries one or more entries for each item published.

Appointments

Officers of the IUHE for 1969-72 123

Behaviour and health

A cytology screening programme in the UK: the influence of social studies (C. D. Sansom) 132
A model for persuading resistants for a planned change (S. B. Kar) 106
Planning and evaluation in health education (G. W. Steuart) 65
Recognition of the " at-risk " role: a means to influence health behaviour (L. Baric) 24
What can the modern technological society expect from health education? (L. A. Kaprio) 14

Communication

An echo from Buenos Aires: what communication can and cannot do (G. M. Hochbaum) 142
Health education and community development: Canada trains Eskimos and Indians in community health (E. G. Martens) 178
Impact of a health education project for preschool children (D. J. Haikal) . . . 192
Outlook for health education practice in the years ahead (S. S. Lifson) 2
Sensitivity training: its potentialities for professional preparation of health technicians (B. McCloskey) 35

Community health and development

Health education and community development: Canada trains Eskimos and Indians in community health (E. G. Martens) 178
" Keep Singapore clean! " — a health campaign with impressive results (K. Kanagaratnam & T. K. Leong) 94

Conferences and seminars

The VIIth International Conference on Health and Health Education

An echo from Buenos Aires: what communication can and cannot do (G. M. Hochbaum) 142
Did you know that ?... 126
How the Argentine is preparing for the Conference 11
Reasons for the Conference's success (S. M. Biocca) 124
The Buenos Aires Conference — a landmark 121

Hamburg international seminar

Emphasis on evaluation 43

Definitions and concepts

A philosophy of health education (J. M. Abijah 118
Educational approach to dental health: problems and promotion in Malaysia (C. J. Sundram) 184
Health... we are at a crossroad of time (L. Haas) 50
Outlook for health education practice in the years ahead (S. S. Lifson) 2
Public education for mental health: some critical considerations (J. D. Griffin) 137
Some throughts on curriculum development in health education (R. K. Means) . . 158
What can the modern technological society expect from health education? (L. A. Kaprio) 14

Dental health

Educational approach to dental health: problems and promotion in Malaysia (C. J. Sundram) 184

Diseases (prevention, treatment, rehabilitation)

Public education for mental health: some critical considerations (J. D. Griffin) 137
Recognition of the " at-risk " role: a means to influence health behaviour (L. Baric) 24
What can the modern technological society expect from health education? (L. A. Kaprio) 14
Alcohol: Issues in alcohol education (J. T. McConnell) 148
Cancer: A cytology screening programme in the UK: the influence of social studies (C. D. Sansom) 132
Smallpox: A model for persuading resistants for a planned change (S. B. Kar) . . . 106
Smallpox: Attitudes towards smallpox and measles in Nigeria (R. Morgan) . . . 77

Environmental health

" Keep Singapore clean! " — a health campaign with impressive results (K. Kanagaratnam & T. K. Leong) 94

Note to potential contributors

■ The Editorial Office of the International Journal of Health Education is at 3 rue Viollier, 1207 Geneva, Switzerland, where the English edition is published at the end of each quarter. The French edition is published by the French Council for Health Education, 20 rue Greuze, Paris 16e, and the Spanish edition by the Spanish Council for Health Education, 45 Ayala, Madrid.

■ Manuscripts submitted for publication should be sent to the Editorial Office in Geneva, double-spaced, if possible in quadruplicate. They should be accompanied by fifteen to twenty lines on the author's professional career, and any photos which may suitably illustrate the paper.

■ The views expressed in articles which appear in the IJHE are those of the authors, and do not necessarily reflect the policy or opinions of the Journal.

■ Articles and illustrations in the IJHE may not be reproduced without prior authorization from the Editorial Committee, except by members of the Union who have the privilege of quotlng from the Journal, providing due acknowledgement is made.
